

## Signage examples

---

### Projects funded solely by the Gambling Community Benefit Fund

For projects funded solely by the Gambling Community Benefit Fund the suggested layout and wording for a plaque or signage to acknowledge the Gambling Community Benefit Fund funding to the project is detailed below.

< Insert your organisation's name or logo here >

This <insert name of project> was officially opened by  
<insert name of dignitary>  
on  
x day x month x year

The project was proudly funded by the Queensland Government's  
Gambling Community Benefit Fund.

### Projects funded in partnership with other bodies

If your project has received funds from a number of different funding sources you are still required to acknowledge the funding your organisation has received from the Gambling Community Benefit Fund. The suggested layout and wording for a plaque or signage where equal funding has been received from another organisation in addition to the Gambling Community Benefit Fund, is detailed below.

This <insert name of project> was officially opened by  
<insert name of dignitary>  
on  
x day x month x year

The development/purchase of <insert name of project/program/service/facility or items >  
was made possible through funding from the  
Queensland Government's Gambling Community Benefit Fund, <name other organisations>.

<date funded or officially opened>

Other funding organisation's logo

## Vehicle signage

For organisations who received a grant to purchase a vehicle, trailer, catering van or boat you are required to acknowledge the Gambling Community Benefit Fund by placing a decal on the side of the item. Please use the 'funded by logo' downloaded from the logos page [GCBF Logos: Usage guidelines and downloads](#)

Example:

## Promotional signage

Please include the appropriate Gambling Community Benefit Fund logo on any promotional posters or signage you produce for your project.
